August 27, 2017

Mark 2:23-37

Please take advantage of this blank sheet of paper to write down your thoughts and things you want to remember.

What is your experience with Sabbath?

Craig did his best to answer what Sabbath is: What day is it? Is it binding for new covenant followers? What do I do on Sabbath?
Do you have any other Sabbath questions? Is there anyone in your group that can help find the answer?

Sabbath is good for everyone and it's unique to everyone. How is a Sabbath uniquely good for you?

What day works best for you to enjoy the gift of Sabbath?

What are some intentional steps you will take this week to make your Sabbath Holy?
