Be: Get In, Grow Up, Go Out

#1 – Be: Get In

Craig Piefer

September 10, 2017

Romans 8:14-17

Please take advantage of this blank sheet of paper to write down your thoughts and things you want to remember.

The complex and theologically pregnant mission statement, do you know it? Where can you find it?

Without using Get In, Grow Up, and Go Out, what is a disciple in your own words?

“Be” or “do” – what is easier for you? Why do you think that is?

Please take time to read all of Romans chapter 8. What is the most powerful sentence or section to you?

What would change in your life if you truly embraced this idea of being a person of salvation if you embraced the idea of being God’s kid rather than earning your spot?

This week, what is your next step in embracing “be, be, be” rather than “do, do, do”?
