Mark – The Upside-Down Kingdom

#14 - Make a Difference, Not a Point

Mark 3:1-6

Please take advantage of this blank sheet of paper to write down your thoughts and things you want to remember.

Picking your battles - are you good at that or not? What is one battle you fought that you wish you had not?

Jesus had problems with the Pharisees in the areas of their inward focus, their lack of joy and wanting to make a point rather than a difference. Do you agree that these are fair criticisms of the church? Which of the three do you struggle the most with? Which of the three are you doing great at?

Have you ever had a time when you make a point but ruined a relationship?

What relationship do you need to “lay your rights down” so you can be an influence in that relationship?

To whom do you need to apologize this week, and make things right?
